

# Stuck in a job that's draining? FIX IT

Trailblazing Wisconsin women are invited to attend a free career awareness fair, 4 Ways Forward, to explore the essential world of the pipe trades. Whether you're looking to take your first steps or make a total career pivot, all four of our trades—Plumbing, Steamfitting, HVAC/R Service, and Pipe Fabrication—offer equal pay, exceptional benefits, and specialized training. Join us to learn about the lucrative, stable, and life-changing opportunities available to women at UA Local 400.
